## The \$68 Club

Natalie is an 8 year-old girl from New Jersey who heard about the needs of kids in Haiti. Natalie wanted to do something to help, so she took her toys and sold them to other children at her neighborhood park. Natalie raised 68 dollars to help the 125 orphans Mercy & Sharing is caring for.

Here is the challenge from an 8 year-old to you: Can you spare \$68 to help orphans in Haiti have the food, medical care, shelter, therapy and LOVE they need to survive and thrive?

Thank you for helping us save the lives of these precious children.
